SCE Interconnection Application Checklist
NEM-ST Aggregation

SepiSolar
POWER BY DESIGN

Clear Form

*Please reference the checklist below to ensure your interconnection application is complete and accurate. It is our hope that this checklist will help reduce the time it takes to receive PTO (permission to operate) so you can begin enjoying the benefits of going solar as soon as possible.

Project Name:

Address:

Utility Bill: Provide a full and recent copy of the SCE bill for all *benefitting meters,* and *indicate which meter will be the generating meter* (the meter that is physically connected to the system)

> 1. Please provide a list of all benefitting/aggregate meters and indicate the order in which you want the excess power to be allocated across those meters.
> 2. Total past usage history for each meter (sum of the past 12 months worth of usage in kWhs).

Parcel # for each parcel on which a meter is located. If there are multiple parcels, indicate which meter is on which parcel.

Sales/Installation Contract: Please provide a copy of the executed contract between the installer and customer.

Contact Info: Customer's phone # & email address - to be copied on application updates. If the entity on the SCE account is a company, please provide the contact person's name, title, and mailing address as well.

> Name of Customer of Record:
>
> Title:
>
> Email:
>
> Phone Number:

> Address:

After Installation Please Provide the Following:

> 1. Building permit and signed-off final inspection card

Please NOTE: SCE charges a $75 application fee. SepiSolar will pay this fee on the customer's behalf, but will invoice the fee amount when the application is submitted.

**NEMA ELIGIBILITY:

The main two requirements that SCE checks for to determine eligibility for the NEM Aggregation (NEMA) program are:

- *all meters must be on either the same parcel or parcels which are adjacent/contiguous, and*
- *all accounts for all meters must be in the same name AND that name must also match the parcel/property owner name. If the parcel/property owner name does not match the name on the SCE accounts, they will request to either have the parcel/ property owner name added to the SCE account OR they will request us to submit a lease agreement between the two entities*
